Vision

• ***A safe, secure and stimulating environment***

At Valmonte Early Learning Academy, we dedicate ourselves to the students in our care. We strive to provide a nurturing and emotionally secure environment to help children develop to their full potential. Emphasis will be placed on social, emotional, physical, creative, and cognitive development. It is our goal to teach each child in an orderly environment those skills that will enable them to grow and become capable learners.

• ***An educated community in partnership to provide for a child's first school experience***

We believe that adults play an important role in the development of children. Parents are a child's first and most important teachers. Our staff is here to partner with parents in facilitating learning and to care for their children. Parent volunteers will play a vital role in our preschool program. We offer support to parents in nurturing their children and in learning skills needed to cope with each new stage of their child's development. Our dedicated preschool staff has many years of teaching experience working in the field of early childhood education.

Instructional Program

Classrooms are organized by developmentally appropriate centers. Each classroom has the following centers: Art, Reading, Writing, Math, Science, Dramatic Play, and Blocks. These centers will be incorporated into your child's individual classroom. We have a strong pre-academic curriculum that links to the District's pre-kindergarten and kindergarten standards. We cover letter recognition, writing skills, phonemic awareness, comprehension, number recognition, sorting, categorizing, sequencing, science experiences, cooking experiences, self-help skills, and conflict resolution. Each classroom follows a weekly theme that is woven throughout the classroom curriculum. Monthly calendars and weekly newsletters are published to inform you of what is going on in the classroom.

**ABOUT THE
VALMONTE EARLY LEARNING ACADEMY**

Organization of the Academy

VELA is licensed for 50 preschool students. Children MUST be 4 years old by December 2, 2006 and eligible for Kindergarten in the fall of 2007. Students must be toilet-trained. Please note that students need to bring a lunch daily. VELA adheres to the following ratios: 1 teacher to every 8 children.

VELA Hours

The Academy is open from 7am-6pm. Monday-Friday.

Days of Operation

The program's school year is concurrent with the PVPUSD school calendar. We will offer a summer school program for July. This will require sign-up and payment in the spring proceeding our summer session dates.

Enrichment Program/Creative Play

VELA offers enrichment programs from 12:30-3:00. The enrichment session will be 45 minutes long and will start at 12:30pm. After your child has participated in the enrichment activity, they will be participating in free choice center time, story time, and outside play. The following are some of the enrichments offered:

1. Art
2. Music
3. Dance
4. Tennis
5. Gymnastics
6. Sports

*Fees for enrichment programs are separate tuition. All interested students must sign-up. Students who are enrolled in the full day program will receive art free of cost. If you are interested in gymnastics, dance, or tennis you will be required to pay the enrichment fee for that activity.

Faculty

All VELA faculty are fully state qualified and have a strong background in Early Childhood Education. Lead teachers hold BA and/or MA degrees in child development or other related fields.

School Administration

Shirley Resich, Preschool Coordinator
Carolyn Brown -Martinez, Director
