Superintendent Austin administered the oath of office to newly appointed Board of Education Member, Linda Reid.

Elementary administrators, teachers, and students shared information and perspectives about the new Project Lead the Way STEM (Science, Technology, Engineering, and Mathematics) program that was initiated in 4th and 5th grades at all ten elementary schools over the past several months. Dr. Austin thanked the Peninsula Education Foundation for their support of PVPUSD STEM Programs.

The Board of Education implemented the provisions of Administrative Regulation 5111.12, Residency Based on Parent/Guardian Employment, and directed staff to accept applications for possible enrollment in the 2015-16 school year, in accordance with approved timelines.
