
The Board approved the recommendation to adopt Houghton Mifflin Harcourt, Math in Focus program, for use in K-5 classrooms beginning in the 2015-16 school year.

The Board approved the recommendation to adopt Houghton Mifflin Harcourt's: Big Ideas Math program, beginning in the 2015-16 school year in Palos Verdes Core Math (PVCM), for grades 6-7-8.

The Board adopted 2015-16 District Goals, as follows:

- Create a culture of improvement through purposeful innovation and adherence to best practices. Implement efficient and consistent professional development for all employees utilizing traditional and creative methods.
- Maximize the potential of all students by recognizing their individual strengths and talents. Create an academic program for students to best prepare for post-secondary education and careers.
- Systematically assess the strength of our programs using internal and external measurements.
- Promote safe, healthy and affective environments for students, emphasizing social and emotional well-being, kindness, digital citizenship, and honesty.
- Utilize multi-year financial plans to guide and influence decisions.
- Enhance communication and collaboration between and among District staff, students, parents, Board of Education and community.
- Produce fiscally responsible long-term strategic plans to enhance facilities, technology, and support services.
- Attract and retain students and families to the District.

The Board adopted Resolution No. 33 - 2014/15, Certifying that Housing and Community Development (HCD) Relocatable Buildings are no Longer Being Used for School Purposes.

The Board ratified the submission of the Career and Technical Education (CTE) Application for 2015-16 Funding.

The Board approved the new high school course description, Korean 1, as presented.

The Superintendent and staff reported on the California Assessment of Student Performance and Progress (CAASPP).
