The enrollment application window opens February 2, 2015. It is the goal of the PVPUSD to have students and siblings attend their "home" school. Current PVPUSD families that have an incoming sibling must also enroll the new student during the month of February.

During the month of February, the date and time you complete STEP 1 (below) will determine your sequence order of enrollment only if STEP 2 (below) is completed by February 27, 2015. Completion of STEP 2 (below) after February 27, 2015 will be processed in the date order of receipt of all completed documents at the Enrollment Center.
