Configure Android Devices for PvnetStudent WiFi Access

**Step 1:** Go to **Settings**, click the “+” symbol to add a Wifi network

**Step 2:** Enter “PvnetStudent” and for Security: “None”
Step 3: Open a browser and you will see the following screen:

Step 4: Select PVPUSD account holder on NON-PVPUSD asset—click START
**Step 5:** Enter your student username (ID#) and your password for your network computer account.

**Step 6:** Your device will now be registered (this takes approximately 60 seconds).
