

# TEACHER TECHNOLOGY & LEARNING SURVEY

Check the appropriate box for each question. Return the completed survey to your principal. Thanks.

1. I teach:     K-5 grades     6-8 grades     9-12 grades    **School** \_\_\_\_\_
2. Years of professional teaching experience:     2 or less     3-7     8-20     21+
3. I teach the following subjects: (check all that apply)
- |   |  |
|---|--|
| <input type="checkbox"/> Art                            | <input type="checkbox"/> Language Arts     |
| <input type="checkbox"/> Business Education             | <input type="checkbox"/> Mathematics       |
| <input type="checkbox"/> Computer Lab Classes           | <input type="checkbox"/> Music             |
| <input type="checkbox"/> English as a Second Language   | <input type="checkbox"/> Reading           |
| <input type="checkbox"/> Foreign Languages              | <input type="checkbox"/> Science           |
| <input type="checkbox"/> Health &/or Physical Education | <input type="checkbox"/> Special Education |
| <input type="checkbox"/> History &/or Social Studies    | <input type="checkbox"/> Vocational Ed.    |
| <input type="checkbox"/> Industrial Technology          | <input type="checkbox"/> Other             |
4. I have taken the following hours of technology staff development within the last 3 years:
- None–30 hours     31–50 hours     51–70 hours     71+ hours
5. I have used technology for:
- None – 3 months     4 months – 2 years     2 – 4 years     5+ years
6. As a technology user, I would classify myself as:
- Non-user     Beginner     Confident     Capable of teaching others
7. I use a computer at home for teaching-related tasks:     Yes     No     No computer access at home
8. At school, a computer for my professional work is:
- None/not available     Easily available  
 Available with effort     Always available
9. I rate my professional use of technology: (choose one)
- Seldom or never     2 – 4 times a year     Monthly     Daily/weekly
10. I rate my classroom use of technology for students: (choose one)
- Seldom or never     2 – 4 times a year     Monthly     Daily/weekly
11. The percentage of students in my classes having daily use of technology
- 0-20%     21-40%     41-75%     76% or more
12. Technology staff development offered by my school or the district has:
- Been adequate     Been offered, but not taken     Not been adequate     Not been offered
13. When I have trouble with technology: (choose one)
- Assistance is immediately available     Assistance is lacking, impairs learning  
 Assistance is generally available with time lags     Students are available to fix the problem
14. When my students use technology, they mostly: (choose one)
- Work individually     Work in small groups  
 Work in pairs     Cannot, as technology is rarely available
15. How has the use of technology enabled you to make changes in instructional practices: (check all that apply)
- |   |   |
|---|---|
| <input type="checkbox"/> I spend less time lecturing the whole class                  | <input type="checkbox"/> I am better able to present complex material                   |
| <input type="checkbox"/> There is more time with individuals or small groups          | <input type="checkbox"/> I am better able to assess student's individual talents/skills |
| <input type="checkbox"/> There is increased time for students to work independently   | <input type="checkbox"/> I am able to be a learner in real-time with my students        |
| <input type="checkbox"/> I am better able to differentiate, individualize instruction | <input type="checkbox"/> I have made no significant changes                             |

# TEACHER TECHNOLOGY & LEARNING SURVEY

Check the appropriate box for each question. Return the completed survey to your principal. Thanks.  
**Instructions: Select the number that describes how students use technology in your classes.**

My students are: 1 = Not using technology for this                      2 = Using technology for this 2 – 4 times a year  
 3 = Using technology for this monthly                                      4 = Using technology for this daily/weekly

## TEACHER MANAGEMENT PRACTICES WITH TECHNOLOGY

- |  |   |   |   |   |
|--|---|---|---|---|
| 16. Communicate with parents/guardians                                 | 1 | 2 | 3 | 4 |
| 17. Track attendance and other student information                     | 1 | 2 | 3 | 4 |
| 18. Generate worksheets, reports, letters                              | 1 | 2 | 3 | 4 |
| 19. Record student grades and print reports with gradebook program     | 1 | 2 | 3 | 4 |
| 20. Create electronic templates or graphic organizers for student work | 1 | 2 | 3 | 4 |

## 21. STUDENTS LEARNING PRACTICES WITH TECHNOLOGY

- |  |   |   |   |   |
|--|---|---|---|---|
| 22. Conduct on-line research and/or investigations   | 1 | 2 | 3 | 4 |
| 23. Translate data into visual representations (charts, graphs)                                  | 1 | 2 | 3 | 4 |
| 24. Learn keyboarding skills   | 1 | 2 | 3 | 4 |
| 25. Learn word processing, spreadsheets and/or databases skills                                  | 1 | 2 | 3 | 4 |
| 26. Learn multimedia presentation skills (links, navigation, transitions, inserting pictures)    | 1 | 2 | 3 | 4 |
| 27. Learn Internet skills (search engines, bookmarks)  | 1 | 2 | 3 | 4 |
| 28. Use electronic reference tools (dictionaries, atlases, encyclopedias)                        | 1 | 2 | 3 | 4 |
| 29. Use technology to identify problems and strategize possible solutions                        | 1 | 2 | 3 | 4 |
| 30. Practice skills or concepts not yet learned (drill/practice software, tutorials)             | 1 | 2 | 3 | 4 |
| 31. Provide alternative activities when "class work" is finished                                 | 1 | 2 | 3 | 4 |
| 32. Support collaborative projects within the classroom (composition, research, problem solving) | 1 | 2 | 3 | 4 |
| 33. Explore and learn topics of their own choice   | 1 | 2 | 3 | 4 |
| 34. Provide resource information not available at the school site                                | 1 | 2 | 3 | 4 |
| 35. Participate in on-line exchanges (pen pals, , learning projects)                             | 1 | 2 | 3 | 4 |
| 36. Facilitate electronic portfolios containing actual samples of student work in various media  | 1 | 2 | 3 | 4 |
| 37. Enable students to demonstrate their achievement in alternative ways                         | 1 | 2 | 3 | 4 |
| 38. Support on-line collaborative projects with groups beyond classroom                          | 1 | 2 | 3 | 4 |
| 39. Provide instructional games  | 1 | 2 | 3 | 4 |

### 40. Identify Your Training Needs

From the strategies listed in the "Teaching and Learning Practices" section of this survey, identify your top two (2) priorities for immediate training.

### Select two (2)

1	2	3	4	5	6	7	8	9	10	11	12	13
14	15	16	17	18	19	20	21	22	23	24		

### 41. When I have trouble with technology, support staff is:

- Likely to be available     Sometimes available     Usually not available

### 42. Rate your "Help Desk" experiences:

- None                       Frustrating                       Time lags for help                       Timely/helpful

### 43. Check general response time to your technical needs:

- Within the hour                       Within 24 hours                       Within the week  
 Within the school day                       Within 48 hours                       Within the month  
 Who knows!

### 44. Check overall rating of your technical support experiences:

- Outstanding                       Frustrating  
 Satisfactory                       Debilitating to instructional effort  
 Lagging
